

2026 MODULAR & PARK MODEL CATALOGUE

ALL PRICES SUBJECT TO CHANGE WITHOUT NOTICE

Trailside Structures

is a family owned company, dedicated to providing cabins with the convenience of a portable structure, while maintaining a high level of quality and value. We started with basic cabins and over the years we have added many options, including kitchens, bathrooms and bedrooms in a goal to provide a turnkey cabin. We specialize in building custom, so feel free to present your ideas, we look forward to working with you.

STANDARD FEATURES MODULAR MODELS

Each modular cabin is built in sections at our facility, then transported and installed on a permanent foundation at your site. They're an ideal way to get a complete home in less time. Our modular cabins are fully customizable, and all standard features can be upgraded to fit your lifestyle and land.

FLEXIBLE SIZING

No square-footage limit.

BUILDING PERMANENCE

Built on a foundation.

CODE COMPLIANT

Meets local residential building codes.

A photograph of a small, modern recreational cabin with vertical wood siding and a corrugated metal roof. The cabin is situated on a grassy field, surrounded by a dense forest of evergreen trees. In the background, misty mountains are visible under a soft, overcast sky. The cabin has a single window with a white frame and a dark door.

STANDARD FEATURES RECREATIONAL MODELS

Recreational cabins are closer to an insulated shed than a home. They come with electricity but no plumbing, and are great for hunting or fishing cabins and weekend getaways. Our recreational cabins are fully customizable, and all standard features can be upgraded to fit your lifestyle and land.

FLEXIBLE SIZING

No square-footage limit.

MOVABLE STRUCTURE

Can be set on a stone pad.

INSPECTION FREE

Small enough to avoid code inspection.

EXTERIOR FEATURES

4" X 6" Runners

2" X 4" Floor Joists With 3/4"
